

BOTANIC

wine garden

Just like you, we dream of ditching work to sip rosé in the park and of hot summer nights all year long. We hope you'll come and be a part of what we are – a place to celebrate life with what we know best – food and drink.

Our space is local, spreading from the inside out; we're organic in our approach and our delivery. Our team's background is complex and while we hail from some of the finest dining establishments, we just want to be your favourite, neighbourhood joint.

The menu comes from North Coast farmers markets, local producers, fishing boats and oyster leases, country fields and the wondrous meanderings of spirited travellers with passionate palates.

We believe that every wine has a story to tell, be it about the place, the grape or the winemaker. Our Coravin wine dispenser guarantees quality wine preservation and will allow you to experience high quality wines without splashing out for the whole bottle! The Australian orientated wine list is broad enough for you to come by and enjoy wine with us every night or perhaps order something you can't get anywhere else in the world!

coravin wines - 60ml/125ml/carafe

The Coravin wine system allows us to access wine from the bottle without removing the cork. The replenishing argon gas keeps the wine 'fresh' for months, even years. With our Coravin selection of wines we don't offer you a mere glass of wine. We offer you a selection that includes a small taste (to pique your curiosity), a glass (to wet your whistle) or a half carafe (to share with a friend).
