## Eloquesta

### Eloquesta Wines By Stuart Olsen

Stuart Olsen is a wine maker and owner of Eloquesta wines from Mudgee and Orange NSW. Stuart was drawn to wine making and had a passion for it from his university days. He believes in diversity and potential of regional New South Wales where he was born and spent most of his life. The landscape and wine growers of Mudgee and Orange regions are a great focus for the Eloquesta brand, as Stuart sees the great potential it has for producing delicious balanced wines.

Stuarts approach to wine making is to use antique methods such as foot treading, constant hand plunging of ferments, subtle and gentle extraction of fruit flavours and texture through some extended skin contact and minimalist approach in use of older oak on the wines.

Eloquesta [Shiraz, Petit Verdot] 2014 Mudgee, NSW 13 39 64

*The 2014 vintage was a fantastic year with wines showing excellent colour and flavour; not big; but elegant and perfumed. The Eloquesta has a darker rich plum and firmer tannins.*

*The perfume is very elegant, showing ripe sweet mixed flowers, plums, lavender spice and aniseed cola. The acid is firm and sturdy on the palate. There is an elegance and restraint with a swathe of red and dark berries, black plums, anise and 'old style' cola. A spicy black olive tapenade note mingles with a subtle well integrated malty nougat oak and finishes firm with a ripe tannic acid finish. Begging for food, banter and good times.*

Eloquesta 'Boy with fruit' [Chardonnay] 2015 Mudgee, NSW 13 39 64

*Chardonnay grapes were sourced from a single vineyard location in the Mudgee region of NSW. The fruit is from a well drained hillside vineyard, north facing making fruit that is rich, ripe in colour but with subtle delicate flavours and racy acid. This is an Eastern European style of Chardonnay, whole fermented berry fro 5 to 7 days. Gently pressed off to finish the ferment and age in 20% new French and Hungarian oak on total fruit solids and lees for 19 months. Light bentonite fining and filtering with minimal sulphur.*

*Subtle, delicate and dry palate with a slight oaky creamy fruit with notes of white nectarine and peach with notes of golden apple and jasmine tea with creamy nuts on the finish. Delicious wine.*

## Wine with HEART

At Botanic Wine Garden our love our wine and hospitality has lead us to sharing this passion with you. We are proud to support small Australian wineries and most importantly support those small producers who pay it forward and that help support others.

### HARVEST (by UNICO ZELO)

From the dynamic Unico Zelo team of talent, comes Harvest. A true co-op project, dedicated to helping the growers, who are so often the unsung hero. After all, without the precious contributions of the humble grape growers, we might all be sober!

So Harvest returns half the profits of these wines directly back to growers who are struggling against a seemingly never-ending amount of threats – low-prices, undervalued contracts, bushfire (2015), frost (2014), lack of native pollinators (2013), low yield (2012) and rain (2011).

## RESERVE WINES SERVED VIA CORAVIN (125ml, 375ml)

The Coravin wine system allows us to access wine from the bottle without removing the cork. The replenishing argon gas keeps the wine 'fresh' for months, even years. With our Coravin selection of wines we don't offer you a mere glass of wine. We offer you a selection that includes a glass (to wet your whistle) or a half carafe (to share with a friend).
